**Subject:** RE: Prevezon

The Government of the Netherlands has not yet taken action on our request; as I mentioned to you on June 15, we have requested expedited processing but have been advised it is unlikely they will execute it before September. We transmitted our formal request to the Netherlands on June 1.

Paul –

Do you have any update on whether the Netherlands had taken any action on DOJ's request to release Prevezon's assets? Also, can you please confirm the date on which the request was submitted?

Thanks,

Kevin
